

Westland Club's Athletics Division joins global race to find Track and Field talent

July 12, 2021 – Westland Athletics, a division of the Westland Football Club of Mount Vema confirmed on Saturday that it has joined the Athletics Division of the Mount Vema's San Miguel Football Club in its worldwide search for talent.

Westland Club has now become the second Mount Vema sports organization to start forming its track and field athletics team, that will participate in Mount Vema events, as well as international events.

The two clubs are expected to be joined by the other eight professional football clubs of Mount Vema with an athletics division currently raising capital at the Gollexi (Mount Vema Stock Exchange) to form their track and field team, as they start to fully engage in preparations for the City of Mount Vema.

The clubs are looking for talented athletes for sprint, middle and long-distance events, jumping and throwing events, throwing events, combined events such as the pentathlon, heptathlon, and decathlon.

The major track and field competitions in Mount Vema or related to Mount Vema taking place overseas will be held under the scope of the athletics division of the Mount Vema Sports Federation.

The Westland Club is inviting athletes from all over the world to express interest in signing up and join what is expected to be one of the most professional and intense sports competitions not only in Mount Vema but in the world just like swimming, football, sailing, basketball and more.

Applications must be submitted through the contact page of the Mount Vema official website and directed to the: Westland F.C. – Athletics Division. The successful candidates will be offered a contract but will be required first to have a Mount Vema bank account as it is one of the first requirement to join the Mount Vema society.
