May 19, 2021 – His Mount Vema Majesty King Peter Goldishman – The Vema Seamount Authority sent a message to U.S. President Joe Biden seeking deals and partnerships on security and trade.

In an electronic message sent today, The Vema Seamount Authority expressed his desire to engage in direct talks with the United States to establish a more fruitful and productive relationship, to foster agreements to facilitate the export of needed materials, parts, products, and services to the South Atlantic in Mount Vema from the United States.
